

Survey on Vaccine Hesitancy

Please fill up every question by placing a tick (✓) in the necessary fields unless specified.

Social Demographics

1. Age (please state) : _____

2. Gender

Male	<input type="checkbox"/>	Female	<input type="checkbox"/>
------	--------------------------	--------	--------------------------

3. Ethnicity

Malay	<input type="checkbox"/>	Chinese	<input type="checkbox"/>	Indian	<input type="checkbox"/>	Other	<input type="checkbox"/>
-------	--------------------------	---------	--------------------------	--------	--------------------------	-------	--------------------------

4. Religion

Islam	<input type="checkbox"/>	Christian	<input type="checkbox"/>	Buddhist	<input type="checkbox"/>	Hindu	<input type="checkbox"/>	Other	<input type="checkbox"/>
-------	--------------------------	-----------	--------------------------	----------	--------------------------	-------	--------------------------	-------	--------------------------

5. Occupation (please state) : _____

6. Household Income

<RM 2,000	<input type="checkbox"/>	RM 2,000 – RM 5,000	<input type="checkbox"/>	RM 5,000 – RM 10,000	<input type="checkbox"/>	>RM 10,000	<input type="checkbox"/>
-----------	--------------------------	------------------------	--------------------------	-------------------------	--------------------------	------------	--------------------------

7. Level of Education :

Secondary	<input type="checkbox"/>	Diploma	<input type="checkbox"/>	Degree	<input type="checkbox"/>	Doctorate	<input type="checkbox"/>
-----------	--------------------------	---------	--------------------------	--------	--------------------------	-----------	--------------------------

8. Number of children : _____

9. Vaccination status of children

* According to MOH vaccination schedule

None at all	<input type="checkbox"/>	Partially	<input type="checkbox"/>	Fully vaccinated	<input type="checkbox"/>
-------------	--------------------------	-----------	--------------------------	------------------	--------------------------

10. 9. Self-vaccination status including booster/ annual vaccinations

*Eg. Influenza, DPT, Varicella, HPV

None at all	<input type="checkbox"/>	Partially	<input type="checkbox"/>	Fully vaccinated	<input type="checkbox"/>
-------------	--------------------------	-----------	--------------------------	------------------	--------------------------

Questionnaires for Vaccine Hesitancy

Please fill up every question by circling the answer in the necessary fields unless specified.

A. Contextual Influences

Communication (Please tick ✓)

1. What is the main source of information about vaccine? (Please tick ✓)

TV		Radio		Newspaper		Magazines		Internet		Other	
----	--	-------	--	-----------	--	-----------	--	----------	--	-------	--

2. When you hear about a negative comment about vaccine, who would you consult?

Spouse		Friend		Doctor		Internet		Religious Leader	
--------	--	--------	--	--------	--	----------	--	------------------	--

Influential Leaders (Please tick ✓)

3. Do leaders in your community support anti-vaccine? Please indicate:

Religious leaders		Politician		Traditional Healers / Bomoh		Alternative Medicine Practitioners (Acupuncture, Ayurveda, Homeopathy, Naturopathy, Chinese/Oriental medicine)		None	
-------------------	--	------------	--	-----------------------------	--	--	--	------	--

QUESTION	ANSWER
